u3a members make up 1% of responses to a survey about what connects and divides our society

u3a contributes to Together survey

u3a is part of the coalition, Together, which aims to bring communities together and bridge divides. u3a members have taken part in a TalkTogether survey, a UK wide conversation about what connects and divides us as a society.

1% of the total responses were made up of u3a members – an impressive contribution.
