### **New Facebook group for u3a writers**

u3a In My Own Write is now a closed Facebook group to enable u3a members to share their writing and ideas with each other

u3a has expanded its social media by turning its *In My Own Write* page into an interactive Facebook group for members

Closed Facebook groups have been an important way for u3a members to connect with each other during a period when they have not been able to meet face-to-face. After the success of the u3a Keeping In Touch group, set up in March this year, u3a has adapted the u3a In My Own Write page to an interactive Facebook group.

This group will be a place for the talented u3a writing community to share books they've written as well as ideas and inspiration.
