u3a members are holding fringe events at the COP26 Conference in Glasgow to share their experiences of climate change

u3a members are taking part in the fringe Climate Change talks in Glasgow to share their personal experiences of climate change.

The group - Trust u3a Countdown to COP include members who have worked in environmental industries to those who became passionate about climate change through family – but all are determined to use their voices to make a difference. They are taking part in fringe events at the conference where they are sharing their personal stories and discussing how the generations can work together to make a difference.
